Note: 1. Results based on low response rates may not reflect the true class mean. Dept mean is for all undergraduate, or all graduate courses, offered by dept and is weighted by class size.

2. Results from cross-listed courses are included in the mean for the department whose course prefix appears first in the alphabet (e.g., for a course listed as HI and REL, the results are included in History's mean). To find the department mean for the other department (in this example, Philosophy and Religion), go to http://www2.acs.ncsu.edu/UPA/classeval/faculty/college_univ_means.htm.

Some student comments:

The instructor is enthusiastic, organized, structured and obviously an expert in the subject matter.

Dr. Umbach was very passionate about enabling us to be informed and thoughtful survey researchers. His knowledge of this area is extremely evident.

Thank you so much for a great semester! The assignments were extremely helpful in supporting my growth as a developing survey developer, and I really enjoyed the group project and working with my team. I am very thankful that you offer this course at NC State. It is one of my favorite courses that I have taken.

Paul was an excellent instructor in that he was extremely knowledgeable about the content, explained it well, and was excited about it.
